Never again to move on, this partly demolished train  
sits with no hope of ever riding the rail again.

football and track players will use.  
TOP RIGHT--The community of Sturarts  
Draft experienced the wonder of nature's  
beauty and the bitterness of Jack Frost,  
which has proven to be the coldest win-  
ter of the century. BOTTOM RIGHT--  
Worn with age this old fence looks over  
the mountain road which offered valu-  
able experiences to many students.

# Moving On

With a brand new middle school building, our new field house, and a brand new plant on the way, all have proven that the little community of Stuarts Draft was moving on to bigger and better things.

With a total number six hundred sixty-four graduates from S.D.H.S. since 1971, many have moved on to new places, new jobs, and to form new families.

# Beginning . . . End

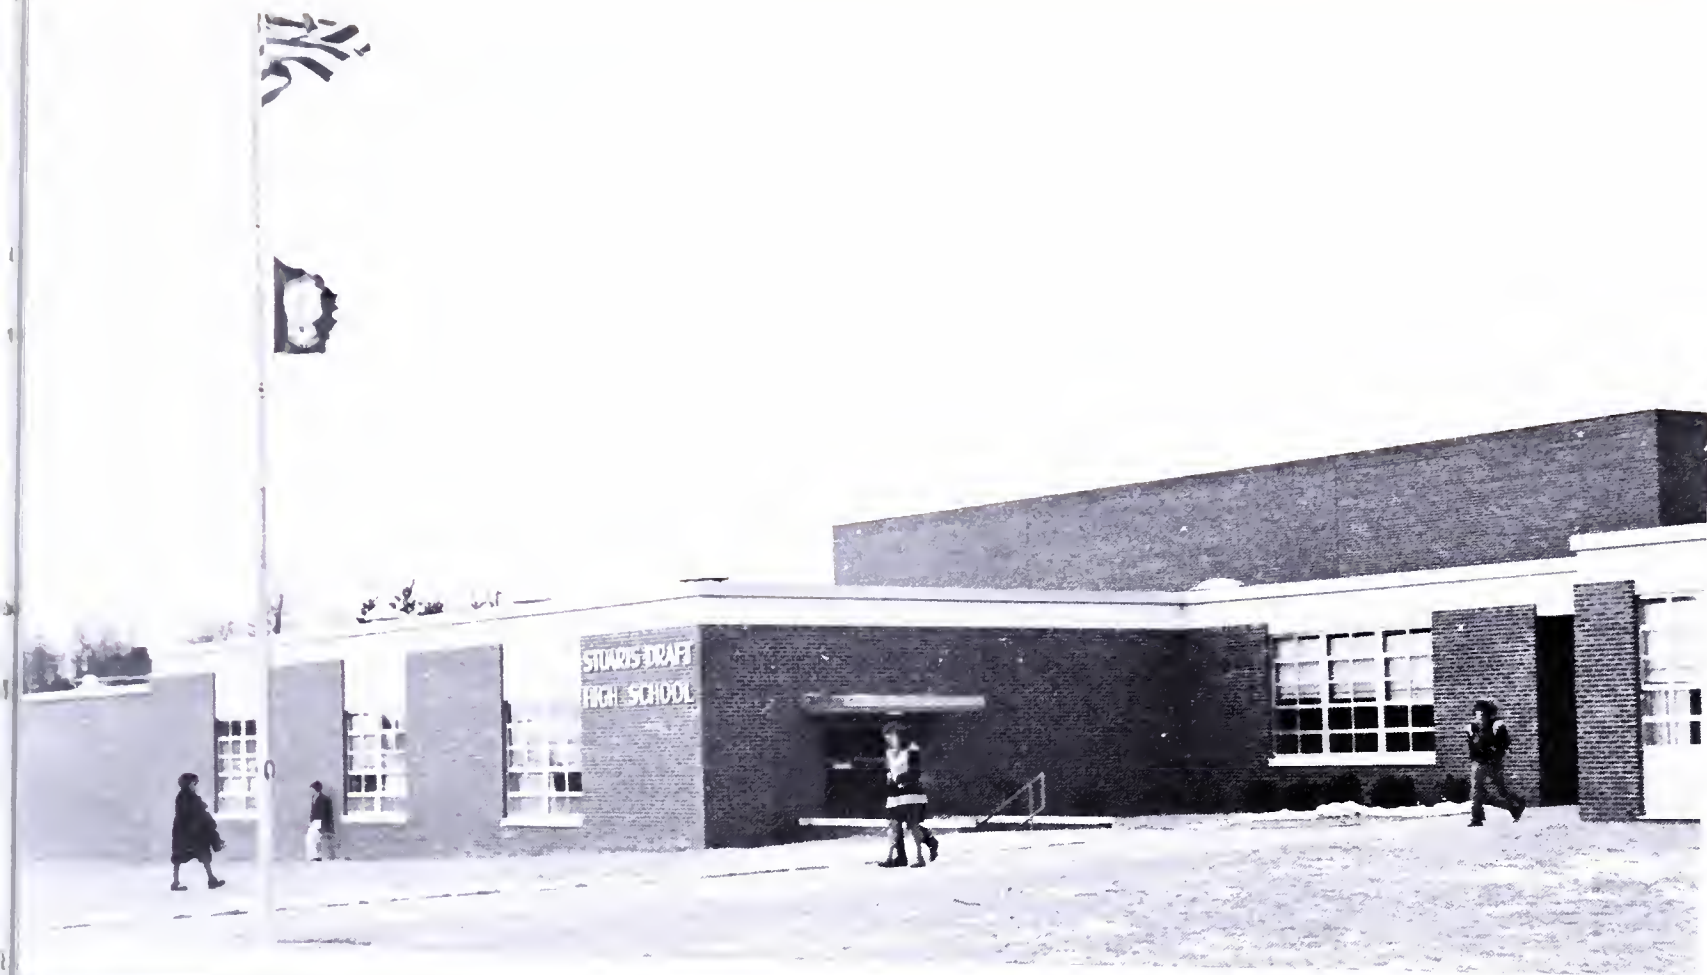

As the gray hairs began to appear on the once new cougar and names of previous students faded on the backs of desks, we realized time was moving on. When the school started seven years ago everything was brand new and the cougar was a spry kitten, time was just beginning. Now years later the school, worn with age and students never again to sit in the desks, we see that time has cherished its memories forever in our hearts.

TOP LEFT--The buses ready to move on, carry the students home early one Monday morning due to a natural gas crisis. BOTTOM LEFT--The library provides a short way for many students, which will be cut off when shelves are put up to form walls. TOP RIGHT--The school has passed on its generation of students to build their own future lives. MIDDLE--Students hurry and wait in long lines to get a nourishing meal! BOTTOM RIGHT--At this time students are rushing to their lockers, out to the buses, and to their cars, to get away from a hard day at school.

# STUDENT

Some students always complained because there wasn't anything to do. Some kids involved in school life moved on with the varied activities such as Homecoming, mock elections, a Shakespearean play, "Freedom Jam," "Nutz n Boltz," and all other activities. However, the complainers also attended the assemblies causing disturbances to lessen the enjoyment of others. Solutions for this problem were sought by faculty and students together. Although perfect behavior was not attained, the activities continued to move on the year.

# LIFE

TOP--Students and teachers maintain joking relationships as shown by Nick Wilk and Chuck Watkins. BOTTOM--Homecoming provides special meaning to Sue Wright as she is crowned Queen with Philip Spaulding as King. Kathy McGann, last year's Queen, and Mr. von Selde-neck add to the occasion their special wishes.

# Homecoming Was Out Of Space

October 8 and 9 will go down in the memories of Stuarts Draft as a very special Homecoming. It was the first Homecoming victory in the school's history. The theme of Homecoming 1976 was "Out of Space" and the activities were out of space.

Each class constructed a float for competition. The floats were brought in front of the grandstand during halftime and the tenth grade class was judged the best.

Chosen as Homecoming Queen was Sue Wright. Homecoming King was Phillip Spalding, and the King and the Queen danced together to the band, Magic Touch. The cafeteria was decorated with aluminum foil and stars to give an out of sight effect.

Even though rain dominated the events, everyone had a fantastic time.

LEFT--Pointing out Jon Short's better qualities are powder-puff cheerleaders Jeff Shipe, Phillip Spalding and Tony Musick. BELOW--Taking a rest from the sounds of Magic Touch are Janet Brown, Patti Faini, Laura Martinez and their dates during the Homecoming dance.

# A Heated Election And A Cold Winter Affects The People Of Stuarts Draft

The year 1976 was jam packed full of important events. The event that captivated the world's attention was the presidential election.

According to the Stuarts Draft High School polls, President Ford was elected by a landslide over Jimmy Carter. President Ford was accurately portrayed by Bill Vance and Mr. Carter was played by Dennis Neuger. David Mowen acted as Eugene McCarthy, a third party candidate.

The three candidates campaigned actively and participated in a debate sponsored by the SCA. Expert analysts reviewed the debates and concluded that the contest was a draw.

In a narrow victory, Mr. Carter defeated President Ford in the national election. Mr. Carter had come, in three years, from a relatively unknown politician to our nation's president.

# Christmas Means Fun For Everyone

Everyone began to feel the Christmas mood when the Senior Class turned the SDHS cafeteria into "A Charlie Brown Christmas" on Saturday, December 11, 1976. The decorations centered around Peanut characters. The teachers' lounge window featured Lucy, Linus, and Snoopy in action. The scene depicted a snowball fight. "The stockings were hung by the chimney with care" was the message the Peanuts gang shared in a bulletin board drawing. All the gangs united to dance to the music of "Zonker." Later in the week, the SCA sponsored Christmas Assembly would have gotten Scrooge himself in the Christmas mood. Entertaining music from the Band and Choral Dept. set the atmosphere. A delightful performance of the play "The Night Before Christmas" lightened the aura, especially with Mr. von Seldeneck acting out the lead role.

TOP LEFT--The Peanut gang characters Snoopy, Lucy, Linus, and Charlie Brown portray the Christmas dance theme "A Charlie Brown Christmas." BOTTOM LEFT--Rhonda Sorrells joins Lucy and Snoopy at the ice rink to dance with Charlie Brown. BOTTOM RIGHT--The Concert Choir, directed by Brian Holsopple entertains the school during the assembly by singing "Carol of the Bells." ABOVE--The reindeer led by Rudolph, Ms. Rader, prance into the auditorium during the Christmas Assembly.

# Outstanding Students Earn Recognition In Various Fields

Abundance is the only word that properly describes the number of outstanding students at Stuarts Draft High School. These students stay in the background most of the year until they receive the honors they deserve. Students were recognized for science, talent and beauty, general scholastic excellence and the desire to embark on new learning experiences.

TOP RIGHT--Six outstanding Stuarts Draft seniors, (L TO R), Pat Hewitt, Laura Martinez, Patti Faini, Howard Lee, Cecilia Hanger, and Nancy Mazzeo are elected to the Society of Distinguished High School Students. ABOVE--Aspiring college students attend the annual College Night held at Stuarts Draft High School, to learn more about the college of their choice. LEFT--Super science students, Eddie Furrow, Mark Sitter, Hildy Freeman and Carolyn Carter are chosen for the Junior Science Humanities Symposium.

# Community Happenings

Despite the unusually cold winter which caused the shut down of many area plants, schools and businesses of the Stuarts Draft area continued to move on nonstop. Land was rezoned for the building of a new manufacturing plant, FMC, and building was halted for a short time of the new middle school because of snow. As a precautionary measure flu shots were dispensed locally and nationally, but were later halted as new evidence concerning the deaths of several elderly persons in the country became known.

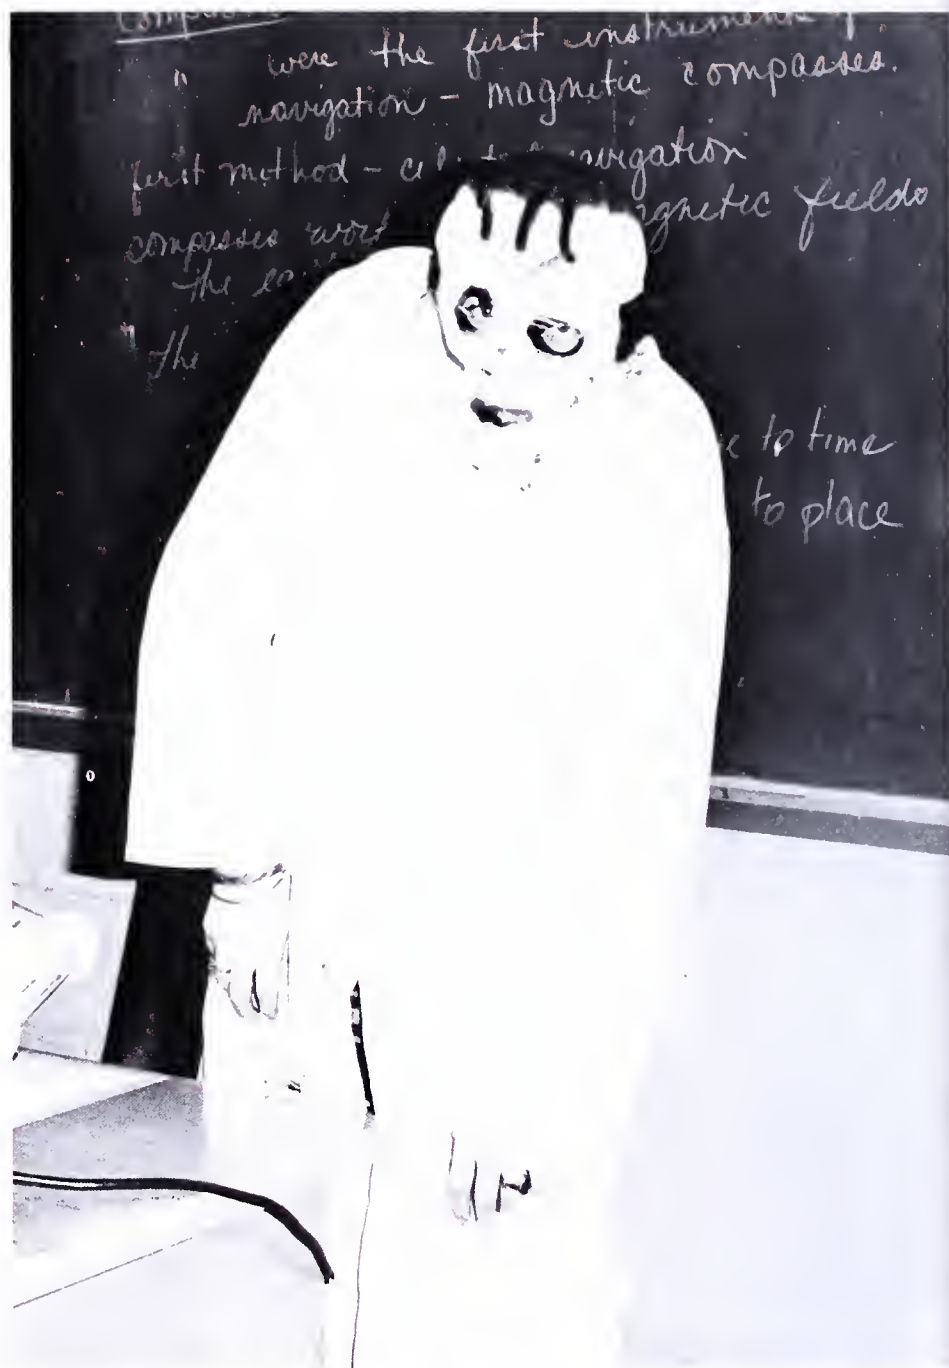

OPPOSITE PAGE: BOTTOM LEFT: Stuarts Draft area residents came out in full force to receive their swine flu shots which were given with the new injection guns. Students were called on to help register the people. TOP LEFT: An elementary school teacher and his advisor discuss teaching techniques during a "Qualifying" session which they must take in order to teach at the new Middle School. THIS PAGE: TOP: "The Railroad Station is worth saving," states Larry Cohron as he asks for help in saving the old building at a concerned citizens' meeting. MIDDLE: The FMC plant manager displays a sketch of the soon-to-be-built FMC plant.

BOTTOM RIGHT: Fred Stone also has a strange habit, he is the Cougar's mascot.

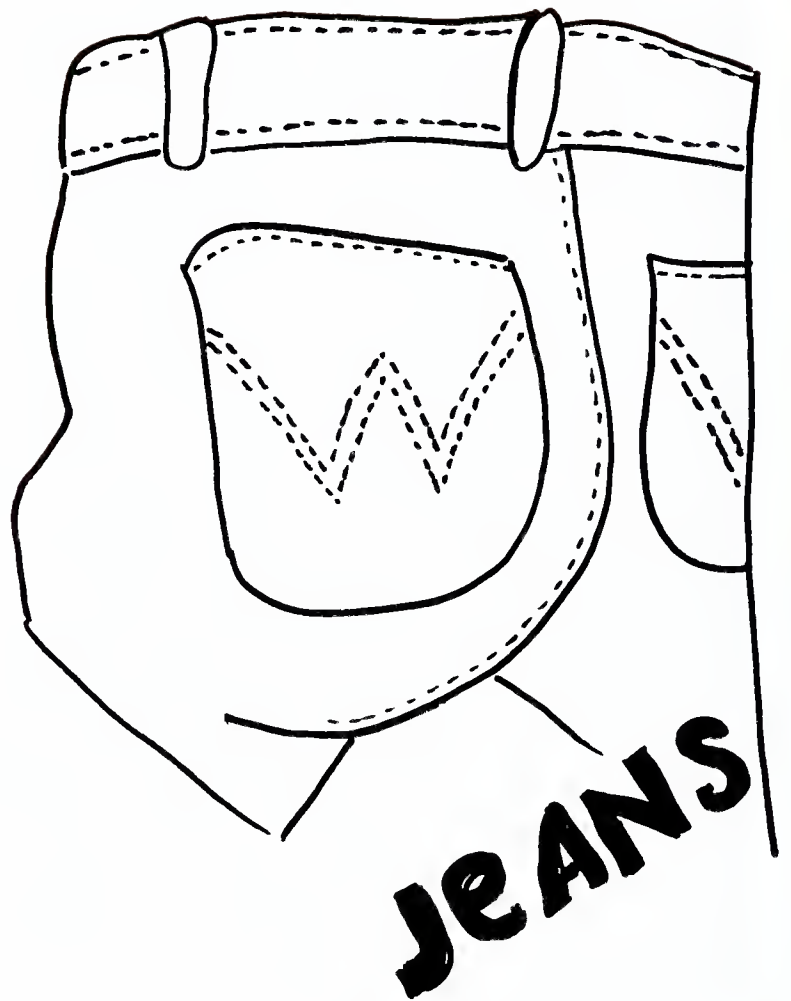

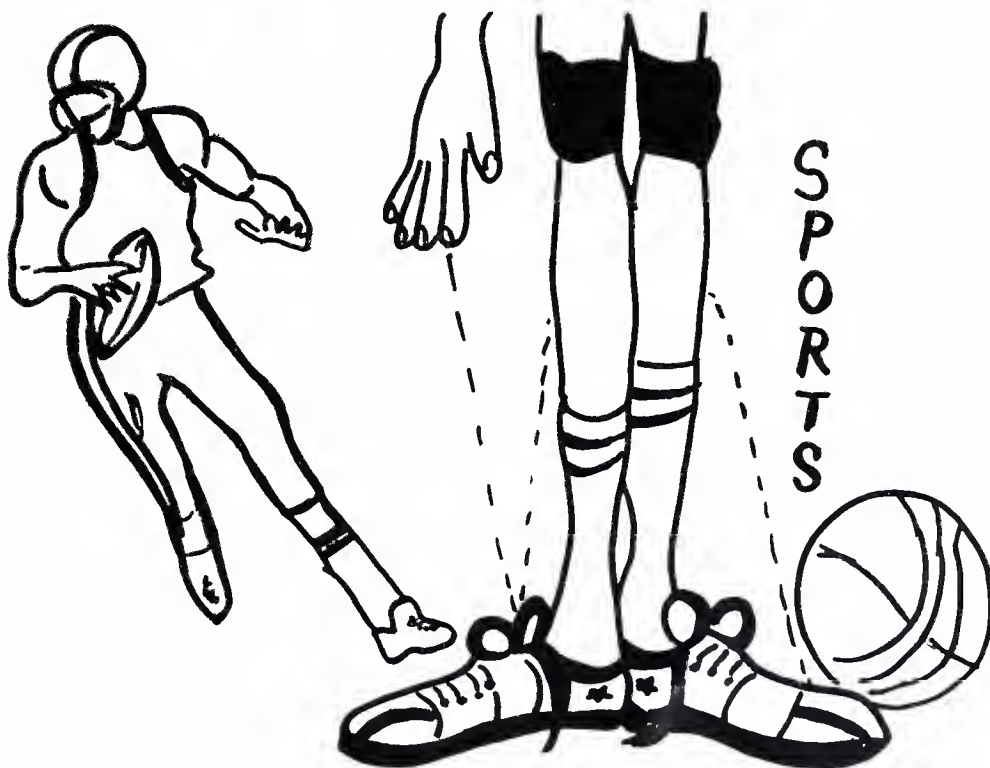

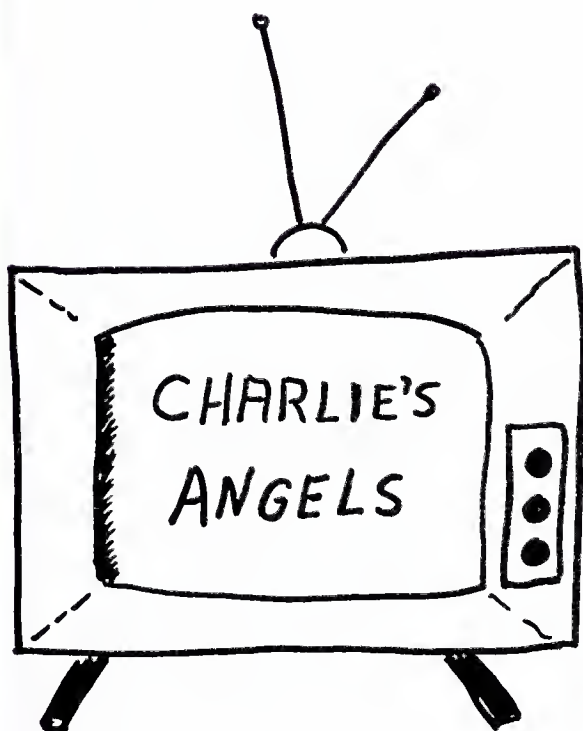

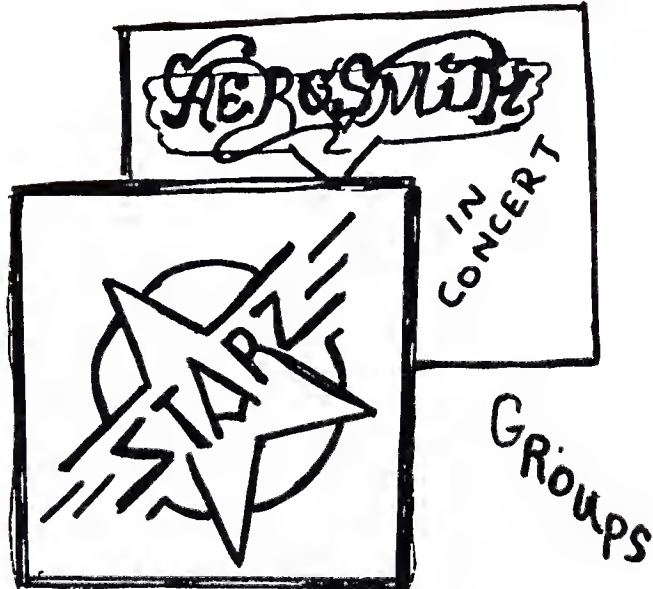

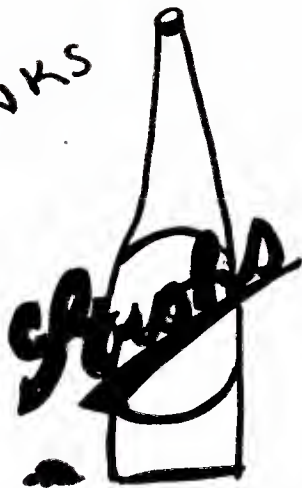

## Students' Favorites

Stuarts Draft students had some very definite favorites in 1977 which ranged from certain albums to special jeans including everything in between. Some of the "most" favorite things are presented here in original artwork drawn and donated by a patron of the Stuarts Draft Yearbook Staff, Ginger Carter.

# Godspell!

If I didn't know that I was sitting in S.D.'s auditorium, I could have sworn I was in a Broadway theater being captivated by ten delightful young people, performing the modern day version of the Gospel according to Saint Matthew. The performance of the entire cast was beyond excellence, which was proven when all were given the "Outstanding Drama Award" at the spring Honors Assembly. The cast included Jay McClure as Jesus with his disciples Terry Crow, Gail Ferguson, Steve Ferguson, Nancy Quillen, Jon Short, Kay Simmons, Phillip Spalding, Kim Spangler, John Young, and understudy Charmaine Huff. Ms. Gail Lake directed these fine performers with Brian Holsopple conducting the music, and with Ms. Ruth Ferree in charge of the lights.

# Prom '77 Pieces Of April

With the Best of RAZZ-MATAZZ the Junior Class presented this year's prom, Pieces of April. Students and their dates, along with members of the faculty, lined the banquet room of Ingleside for the second dinner dance in a row.

As the night drew to a close, the Senior Class greatly appreciated the hardwork and efforts of the Junior Class for a prom that will be long remembered.

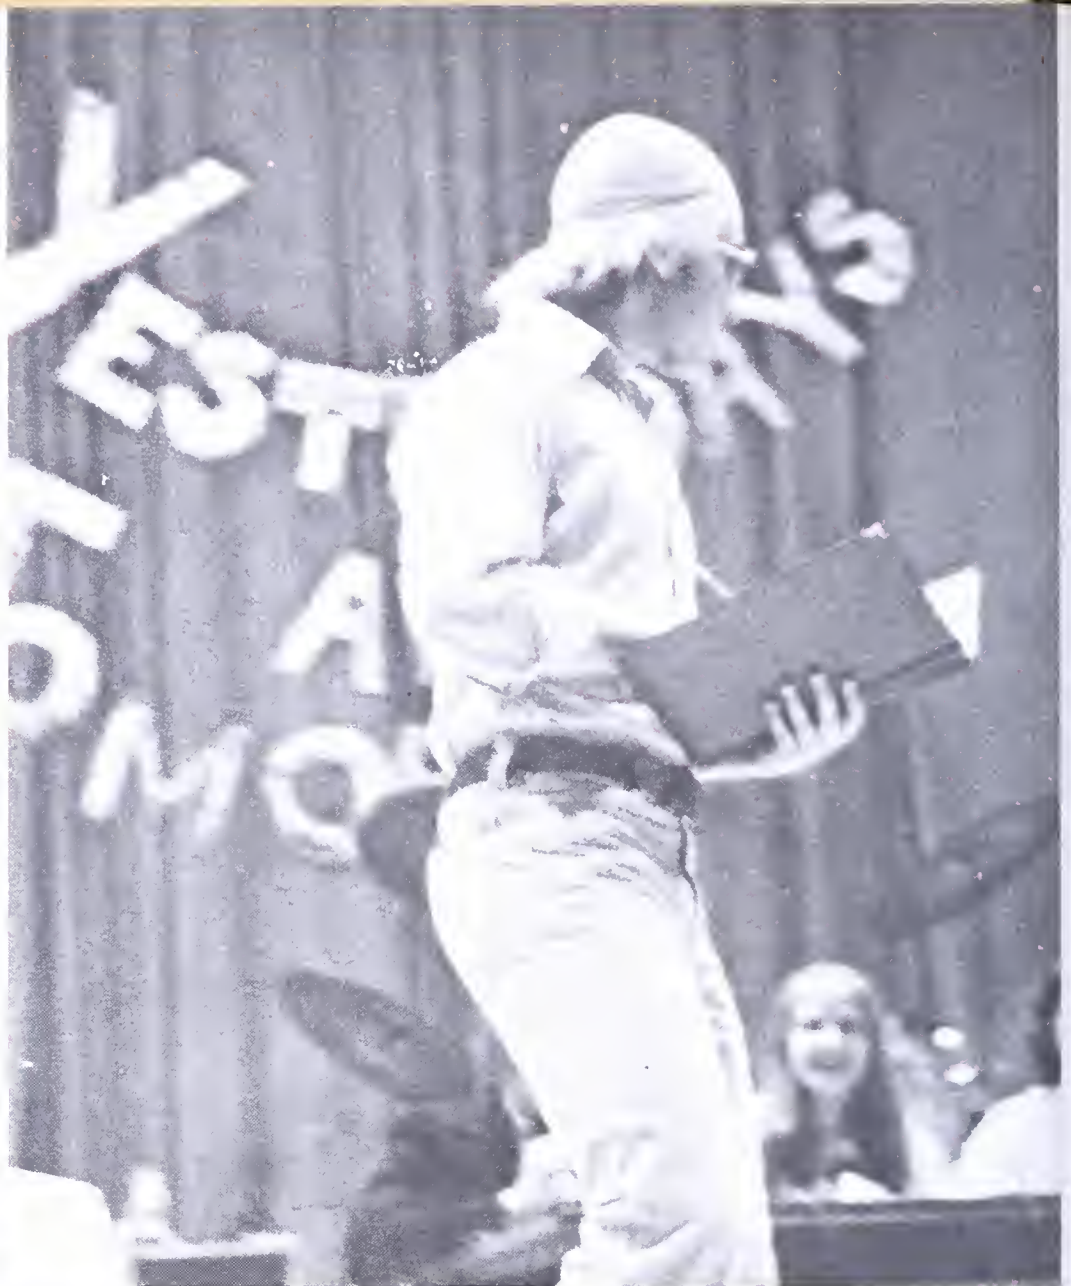

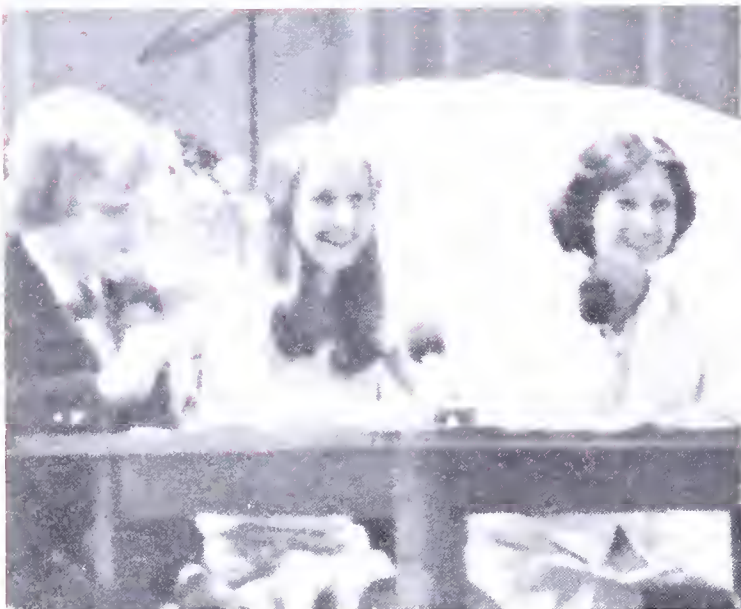

TOP LEFT--Two seniors, Rhonda Sorrells and Rusty Kivett enjoy the prom with their dates Judy Hoover and Tony Harmen. BOTTOM LEFT--Judy Henderson gets into the beat of the music by RAZZMATAZZ. TOP RIGHT--Students seemed enthused by the good music. FAR RIGHT--The faculty seemed to enjoy this year's prom as much as the students did. BOTTOM RIGHT--As the night wore on so did the fun and excitement.

# Class Night— Yesterdays & Tomorrows

Through the hassles and arguments, the Senior Class Night, "Yesterdays and Tomorrows" finally got underway. The Show took place on May 27, 1977. Some of the skits were of the previous year's J. V. Show which came under "Yesterdays" and others were showing times of the future for "Tomorrows."

Altogether the Senior class put on a show that will not be easily forgotten.

TOP LEFT--John Wymer, Tina Collins and Nancy Mazzeo were the "M.C.'s" for the senior survival test. FAR LEFT--Pat Hewitt posing as Mr. Baxter, checks on the parking lot confusion. BOTTOM LEFT--The talented twins of the Senior Class, Galen and Garland, once again played their popular duet for the audience. BOTTOM RIGHT--Diana Beverage and Erica Simmons look on as Kay Simmons stomps on her lunch because it moved during a skit in the Senior Survival Test.

# SPORTS

Sports moved on this year with many changes in its structure. The Varsity Football team had its best record in the history of the school. The Girls Basketball team battled for a second place in the district while the Cross County Runners battled against the cold to earn their achievements. The Boys Basketball team with their new coach, Bill Hale, worked hard to learn and to improve their skills. All athletes recovered from their defeats and moved on to achieve higher goals.

# Boys' Varsity Basketball

The Varsity Boys Basketball Team worked hard for their new coach, Bill Hale. It was quite a disappointment when they ended up with a 5-15 record. Next year's team will have lost five seniors, including Gary Hyde, Rob Snopkowski, Roy Shifflett, David Dulaney, and Doug Robertson. With some of the team players returning next year, the team hopes for a better and stronger season.

# Junior Varsity Basketball

With the appointment of a new coach and with only four returning players, this season was one of rebuilding for the J. V. Cougars. Although the team was young and relatively inexperienced, practice and determination paid off as this year's team ended the season with a well-earned 9-11 overall record and a 5-7 record in district play. The fine efforts displayed by the J. V. team and Coach Harvey Almarode were greatly appreciated by their fans.

The untimely death of Stevie Staudt saddened all who knew him. Stevie was a remarkable young man who excelled in athletics and in scholarship. To keep Stevie's exuberance for life alive, numerous awards and honors have been established in his memory throughout the community and in our school. No words have been created that could adequately express the character of Stevie Staudt, or our feelings of sadness over losing him.

# New Heights In Music

Beginning Band

Music at Stuarts Draft High, both instrumental and vocal, soared to new heights as new classes were added, and a new band director gripped the baton.

In the choral department, the four choral groups participated in two public concerts--the more formal Christmas concert ("The Christmas Feeling") and a staged spring concert in May.

The Concert Choir, with approximately 30 new members this year, provided music to churches, schools, and civic groups in the community as well as the two major concerts. Eleven from its number were chosen in the fall to represent SDHS at the Regional Chorus events. Also, a new class, Music Theory/Appreciation was added to the curriculum this year.

The band during this year was under the direction of R. David Smith, who gripped the Draft baton for the year. The Concert Band and Marching Band made appearances at football half-time shows, played for three parades, participated in two concerts in conjunction with the Choral Department, and participated in several band festivals.

The majorettes performed with the band at football games and parades, and other occasions during the year.

# Career Clubs Extend Themselves

Three of the Draft's many career clubs extended their arms this year to learn more of their respective job interests.

Students for Action in Education (SAE) was involved in many projects and experiences throughout the year. As a Christmas project, the SAE made and stuffed Christmas stockings for residents of the District Home. First hand experiences and guest speakers helped the organizations's members to see what the education field could be like. Other year plans included a sock hop and attending a play at Madison College.

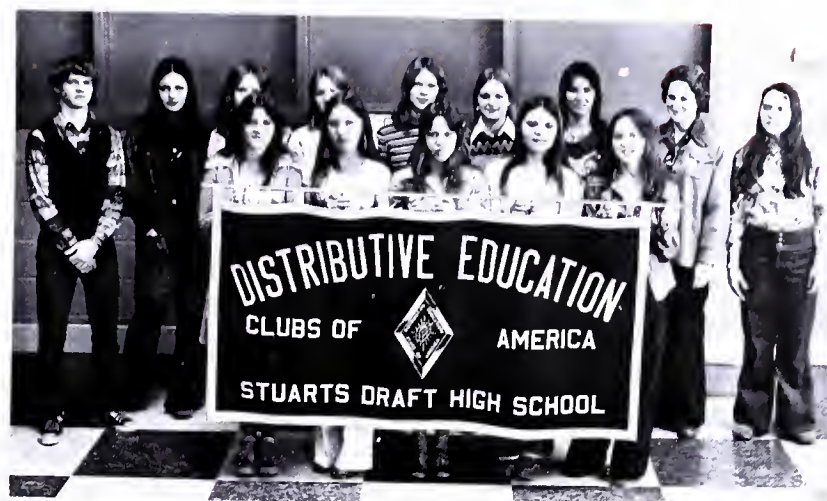

The DECA Chapter at SDHS has attended Regional and State Leadership Conferences, as well as completing the following activities: a candy sale which raised \$700, the giving of a food basket to a needy family, the holding of officer installation, a field trip to Tanglewood Shopping Mall in Roanoke to learn new merchandising trends and employment possibilities in marketing, a parent-teacher tea, an employer-employee banquet, and a Marketing Careers Week.

Stuarts Draft's Health Careers club extended themselves with new learning experiences this year, as they scheduled speakers from the community engaged in the health field, and planned a field trip to Children's Rehabilitation Center in Charlottesville.

Students spend a great deal of time working on club activities, SAE Club.

## Improving Education

Future farmers and future homemakers together added much life to the Stuarts Draft High scene, as well as improving their own education.

Lead by two new agriculture teachers, Mr. S. Saufley, and Mr. K. Miller, the Future Farmers of America participated in numerous shows and contests throughout the year. The organization inducted thirty new greenhands in the fall, sponsored a crop and hobby show, sold 1047 cases of citrus fruit, won first place in the Augusta County FFA Forestry Contest, and placed second in the area contest. The organization also conducted special community

improvement projects, distributing Christmas toys to needy families, and sponsoring a safety poster contest for sixth and seventh graders at Ladd and Stuarts Draft Elementary.

The FFA helped improve the school by adding shrubbery to the grounds and pouring concrete into a small section of sidewalk.

The Future Homemakers of America was involved in many activities this school year, nearly all of which were centered around the theme of "A Helping Hand."

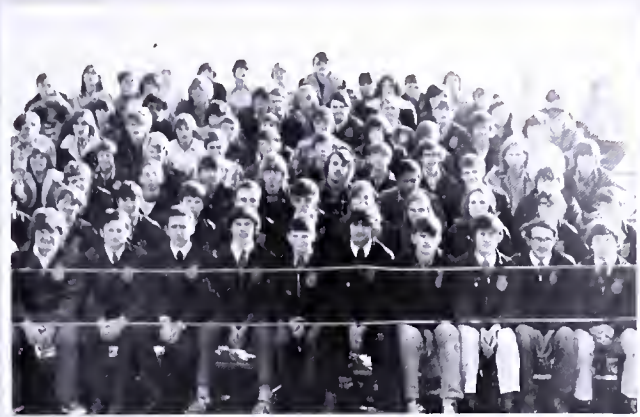

Starting September with a trip to the State Fair, the fall's activities were rounded out with craft demonstrations, new membership initiation, Parent-member banquet, needy family support, and a Christmas tea for teachers.

The rest of the year featured work on various FHA degrees, planning of the annual SweetHeart Dance, a talent show, a skating party, election of officers, a fashion show, and a Helping Hand Day.

As a FFA member, Stephanie Shull wins an honor in sheep competition.

# Science, Safety Clubs Look Ahead

Looking ahead to possible future careers in science, members of the SDHS Science Club this year sponsored a trip to the Smithsonian Institution this fall and also sponsored a special film for science classes in the spring. Speakers and rocket related activities have been heard and carried out at meeting times and after school.

Made up of student bus drivers, the Safety Club held periodic meetings to discuss problems that arose in connection with different aspects of school transportation. Both regular and substitute drivers participated.

# Exploring Journalism, Photography

Journalism and photography were more of the many career angles that SDHS students explored. Many experiences from these three clubs will be remembered for a long time to come.

Photography Club was organized last year in order to help students who were interested in photography to gain knowledge and experience. During the year, 20 members participated in the club's activities, which included monthly meetings where students can show their work and gain helpful suggestions to improve their skill.

Several special programs were presented through the year.

A permanent school newspaper became a reality at the high school this year, as more than 20 persons endeavored to put forth THE INFORMER. Founded and funded by the SCA, the newspaper got its start. Advertisements and features graced the pages of the Informer as it grew in size and strength.

The staff of The Legacy, Stuarts Draft's yearbook, gained helpful knowledge for possible future careers as they made ready for publication the second annual done according to yearbook standard rules. "Movin' On," the theme of the publication, helped spur the staff on to reach new goals and make an even better yearbook than before.

# Foreign Language Clubs Have Active Year

Le Cercle Francais se reunit le deuxieme jeudi de chaque mois pendant 1, heure d'activite. Pendant l'annee il y avait aussi plusieurs activites apres l'ecole. D'abord, il y avait une reunion speciale pour feter les nouveaux membres. Tout le monde a goute des fromages. Le 17 decembre plusieurs membres sont allés chanter avec Le Cercle Espagnol. Il y avait beaucoup de choses a manger. Au printemps, il y avait un banquet internationale. Tout le monde adore la cuisine francaise.

Like the French Club, the Latin Club was very active this year. Members held a bake sale in October and plans were being made to hold a "legs" contest for basketball players in February, to attend the Virginia Players' Production of "The Bacchae" by Euripides in February, and a volleyball tournament with other foreign languages.

# Clubs Improve School

Stuarts Draft's Student Organization for Developing Attitudes (SODA) consisted of students who visited elementary school classrooms monthly to project a positive image. Among the organization's projects this year was the planning of presentations for local radio and civic groups.

The SAA, open to any student in good standing at SDHS, also provided service to the school. The athletic organization's activities included a banquet for awarding certificates, pins, and letters, the giving of food and toys to a needy family at Christmas, the ordering of two track record boards for the gym, and awarding points for participation in various activities. During the year, members were expected to attend home games and sit in a cheering section to help build up school spirit.

The Varsity Club purchased a 16 mm projector that has slow motion, frame by frame action, stop action, forward and reverse. The cost of the projector was \$1,100. The club's sources of revenue are from dues and the selling of refreshments at basketball games. The Varsity club also helped build a new athletic locker room.

Volleyball was another morning activity sponsored by the SAA.

This year the "Stuarts Draft High School Players", while under the new sponsorship of Ms. Gail Lake, grew to include about seventy-five members. The Players presented in December their first Shakespearean production of "A Midsummer Night's Dream" and in February, they presented their one act play to the festival under the directorship of Ms. Ruth Ferree. In April, by collaborating with the music department, the Players sponsored a production of the musical, "Godspell". Several students were, in November, accepted as new members of the International Thespian Society, the Honor Society for Actors and Actresses who've worked many hours in the Theatre.

Stuarts Draft's Forensics team had a winning Practice Season. The first victory, over Fort Defiance, was 46-35. Stuarts Draft's victory over Buffalo Gap was won with a score of 44-36. The County Meet was held in January and the District, Regional, and State Meets followed in early Spring.

Stuarts Draft High School's Debate Club prepared this year for some Spring meets before going to the District Meet sometime in March, or April. Plans were to arrange two or three meets with the County Schools for some actual practice in debating.

Both of above pictures are scenes from the one-act play "A Midsummer Night's Dream."

# Cheer- leaders Provide Spirit

Prior to the beginning of the school year J. V. cheerleaders attended camp. The squad cheered enthusiastically at both Girl's and Boy's J. V. basketball games and J. V. football games, too. Their many activities included cheering for the "Pack-A-Pinto" contest, prompting our school to a commendable second place, and Christmas caroling followed by a taco dinner.

In an attempt to boost the morale of the J. V. basketball team, the cheerleaders gave them a party. Along with the Varsity squad the J. V. cheerleaders previously gave a party for the football team.

Despite the constant problems involved, this year was a successful year for the J. V. cheerleading squad. For the most part, practices weren't unbearably long or strenuous. Certainly, this year will be one always remembered by the cheerleaders on the J. V. squad.

Cheerleaders have many friends and are involved in many activities.

Cheerleaders add great style and spirit to all athletic activities.

## SCA And Key Club Are Involved

The Student Council once again excelled in providing the school with outstanding leadership, many varied activities, and accomplishments, such as all the Homecoming activities, new books for history and government classes, constitution revisions and contributions to the INFORMER. The SCA is well on the way to being the most highly valued organization at S. D. H. S.

# CLASSES

All classes worked as an unified body this year to obtain goals that would benefit the entire student body. The Seniors led the masses with the mock election, the magazine campaign, and the Christmas dance. All classes sponsored various projects, social and service, to promote the well-being of the school. The eighth grade class stood out as the largest class in the school's history, with 256 members.

TOP LEFT--Eighth and ninth graders gather in the media center to catch up on the latest news. TOP RIGHT--Members of the Sophomore class discuss the megaphone sales during their free time before school. BOTTOM--The media center provides an excellent gathering place, especially for the Seniors.

Seniors from Mrs. Houser's and Mrs. Layman's homerooms get together in the media center before going to various club meetings on activity day.

# SENIORS 1977

New things began and old things ended as Stuarts Draft's Class of '77 soon found out. When the year ended each Senior member went their own way. Some planned to go to college; others found jobs.

During the year the Senior Class sponsored the Mock Election in which only Senior Class members participated. Seniors also sponsored the Christmas dance. With a full year behind them the Class of '77 well deserved their diplomas.

# Morning Means Precious Time

"Life is a collection of happenings" and never is there more happening than in the Junior year. With eyes clear and wide open, Juniors began a typical school day running through the halls, standing in the Media Center, and sharing gossip.

For some Juniors free time in the morning was the high spot of the school day. This precious time.

One of the highlights of going to class is getting out of class. But when one has to stay in class with no passes available one is stuffed with facts from every possible angle. From English to Math to Science, a Junior lives a very cloistered life, until the weekend . . .

## Being A Junior Is . . .

Driver's license, driving to school, owning Varsity jackets, making new friends, planning and working towards a J.V. Show, mid-term exams, college boards, applying to colleges, watching Harry and his friend do nothing, cruising, going to dances, planning a prom, summer workshops, getting a summer job . . . so much more . . . and love.

# SOPHOMORES

## '79

Enthusiasm and the growing spirit of the Sophomore class was clearly displayed in various ways throughout this year. The tenth-graders co-sponsored a "50's Dance" with the eighth grade class which proved entertaining for all attending. In addition, the Sophomores prepared a float for the Homecoming week which took a great deal of hard work and effort. This work was not in vain as the Sophomores' "Hawaiian Float" won first place in the judging of all floats entered. Many other activities were sponsored and supported by the Sophomore class, such as bake sales, selling megaphones and many other school wide activities. The Sophomore class truly is Moving On greatly looking forward to their next two years at S.D.H.S.

This year proved to be filled with great expectations as sophomores underwent Driver's Education in their Phys. Ed. classes. Sophomores impatiently waited for that magic moment when Driver's Education classes were through and their tests taken. Behind-the-Wheel proved challenging as the students went out nervously driving with Behind-the-Wheel instructor, Mr. Harouff. The students loved being able to drive on their own after completing Behind-the-Wheel successfully.

Excitedly peering out of a school window, ninth grade students hope for an early school dismissal as snowflakes whiten the ground. Enjoying the wintry setting are Kitty Talbott, Judy Crow, Peter Buehler, Kim Cash, and Susan Hupp.

# Freshmen Get More Involved

Fervently grasping hold of the Class of 1980, a newfound wisp of school spirit found the freshmen more involved in school and extracurricular life than before. Seeming to enjoy their second year at high school, the ninth graders got involved in interscholastic and intramural sports, numerous clubs, and other organizations and activities.

They found themselves looking more toward a career, as special guidance programs and interesting classes spurred them on to possible future plans.

For Stuarts Draft High School's Class of '80, this year was a time for recollection and speculation, as 1976 turned out to be a very good year.

Pausing for a moment, Kitty Talbott takes a breather in the middle of her fast-paced school schedule. New elective classes and more advanced required courses found ninth graders working harder than ever.

JACK KEVIN BLACKA  
March 25, 1962--  
October 28, 1976

It saddens us all,  
but yet we know  
That life must end,  
the further we go.  
Kevin was a dear friend  
to all who knew him;  
His love and kindness  
suddenly gone,  
Made our hearts grow  
dim.  
With a cheery smile, and  
a wave of the hand,

He has wandered into an  
unknown land.  
Nature is a great demand,  
Which Kevin loved and  
could understand.  
So as we look on, think  
of him and say  
He is not dead--  
He is just away.

# MORE SPRING

Activities began to boom after the cold winter turned into a beautiful spring. The Girls' Track team fought Riverheads all through the season, and they were victorious in becoming State Champions which was very rewarding to first year coach Bunni Hearn. The Golf team also had a rewarding season even though they did not win the State title. Finally all the sports events and activities came to an end and once again another class was graduated from S. D. H. S.

# HAPPENINGS

TOP LEFT--Regina Chepalis excels in several events on the Girls' Track team. TOP--Seniors line up for their graduation procession. BOTTOM--Jeff Shipe shows is great form as a valued member of the Golf team.

# State Champions Girls' Varsity Track

In 1977 the Lady Cougars Track Team captured the State Division A Championship Title. The team did not lose anyone with the graduating class, so with the same girls returning, the Lady Cougars promise to be just as strong or stronger.

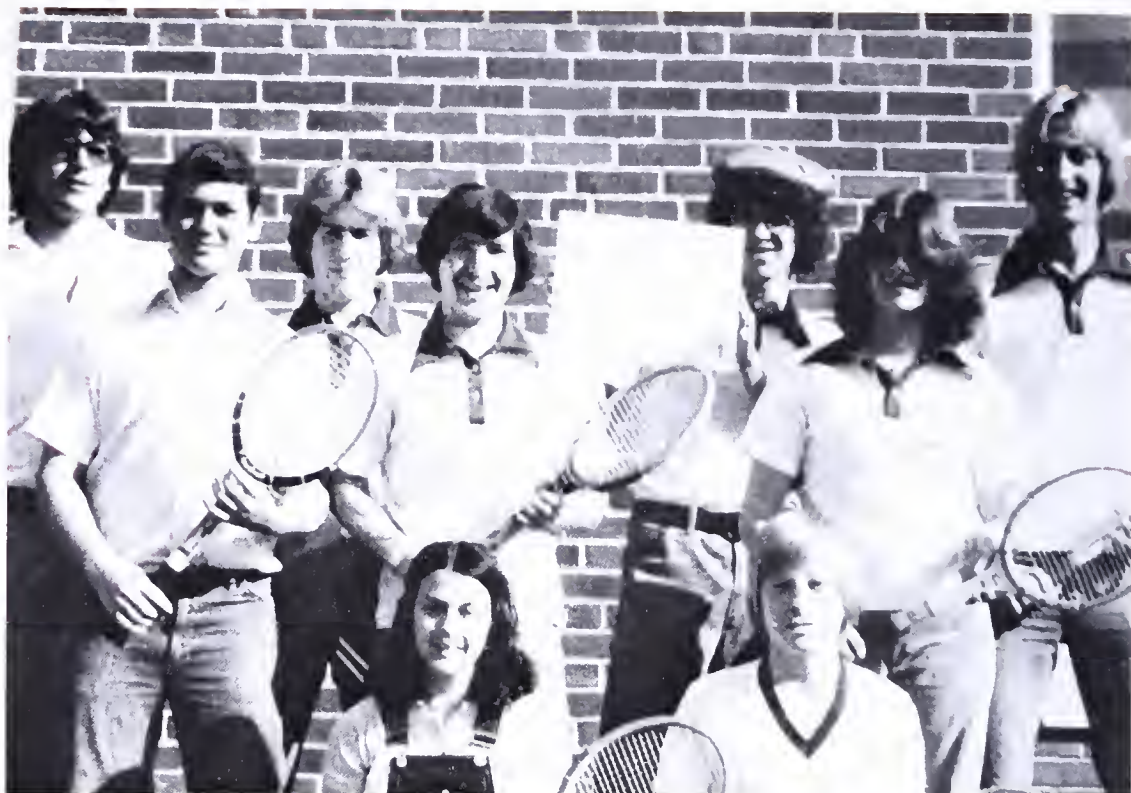

TOP LEFT--Pam Wells puts forth great effort. BOTTOM LEFT--Regina Chepalis is ready to go. MIDDLE--Coach Bunni Hearn talks to her state champions. TOP RIGHT--In the relay race, Amy Hodge displays her talent. FAR RIGHT--Bonnie Liebal and Pam Wells run to be number one. BOTTOM RIGHT--Lady Cougar runs with great strength.

# Tennis And Baseball

The Tennis Team was in full swing this year. Coached by Mr. Bob Bateman, the team showed much success in its second year.

The Varsity Baseball Team had a very trying year with nine out of fifteen players gone. Coach "Bo" Trumbo and his team displayed fine efforts in this challenging year.

TOP--SDHS TENNIS TEAM. BOTTOM--  
VARSITY COUGAR BASEBALL TEAM.

TOP RIGHT--Running with baton, Chris  
Hoy pushes forth. BOTTOM RIGHT --  
Mike Saul is running hard for Cougar  
victory. FAR RIGHT--VARSITY BOYS  
TRACK TEAM. BOTTOM FAR RIGHT--  
Two Cougar teammates in stride.

# Boys' Track

The Boys' Varsity Track Team coached by Nick Wilk, had an excellent record this year. The team consisted of twenty-seven boys, fourteen of whom were returning lettermen. Outstanding participants were Bill Vance, Ricky Hall, Robert Martin, Willie Harris, Jerry Williams, and Mike Saul.

## Great Golfers

Despite losing the district by five strokes, the '77 Golf Team, coached by Bill Hale, had a fine season. Leadership was held by Jeff Shipe and David Mowen; both were lost to the graduating class. With returning lettermen, the Golf team holds much promise in coming years.

TOP LEFT--Philip Spalding ready to putt it in. FAR LEFT--Jeff Shipe studies the course for his next shot. BOTTOM LEFT--VARSITY GOLF TEAM. TOP RIGHT--Getting into the swing of things. BOTTOM RIGHT--Displaying great form, Philip hopes for a hole in one.

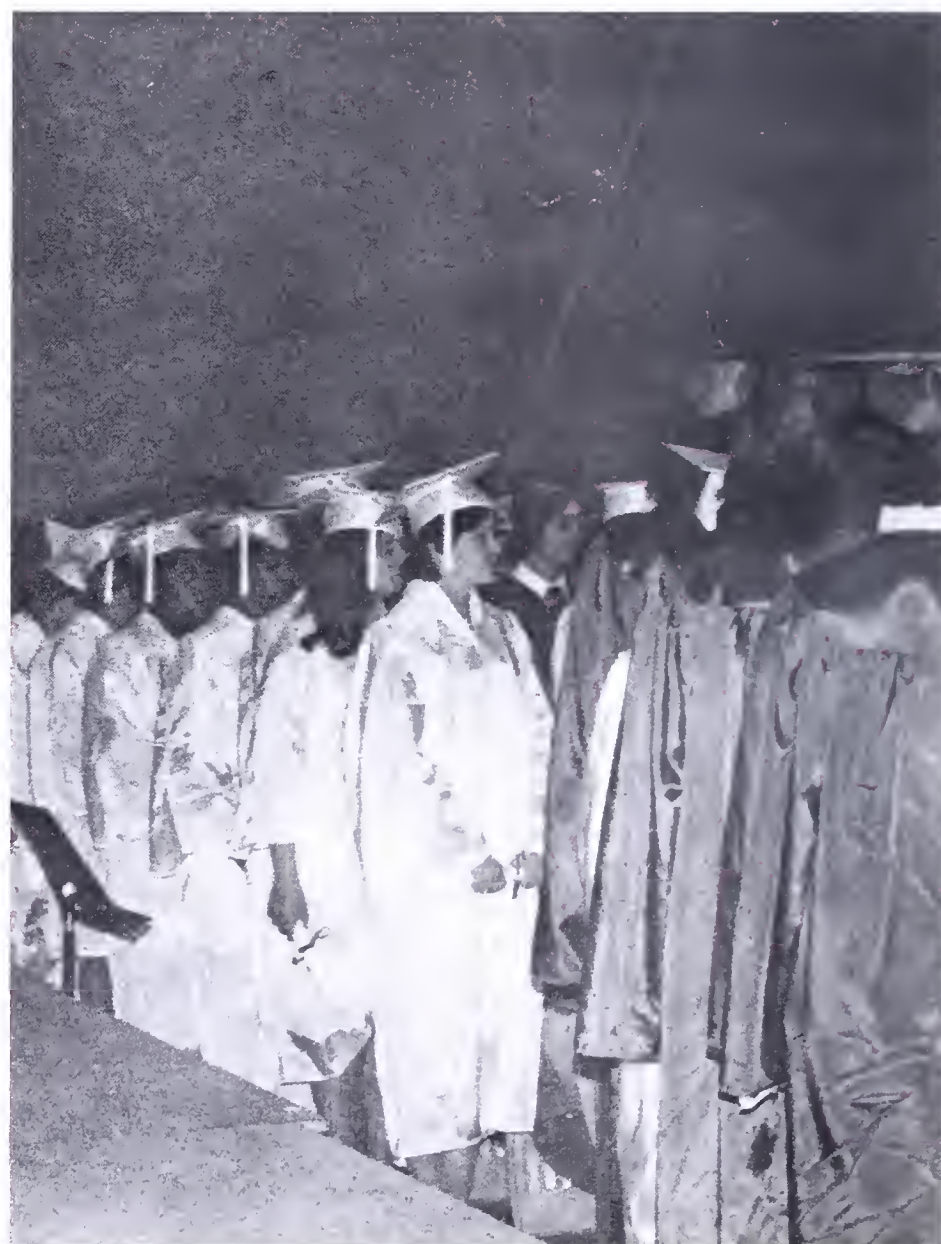

# Graduation Beginning Of Tomorrow

As the year came to an end, the whole Senior class went crazy! Exams were important for many college bound students, but for others it was just another test. Last minute fines were paid off and goodbyes were given to teachers that had experienced the Senior class.

As graduation became closer so did the rain which spoiled the plans for an outside ceremony. The night of graduation was full of excitement, tear-stained faces, and well wishes from the speaker, Lynda Johnson Robb.

As Seniors went to homerooms to receive their last belongings, a sad atmosphere filled the halls of the school. As the parking lot emptied, the future lives of the Class of 77 began for tomorrow.

TOP LEFT--Sue Wright delivers a final speech to the class of 77 as they sit as a group for the last time. TOP RIGHT--Mr. von Seldeneck shakes hands with Cecilia Hanger and the rest of the Senior class as they receive their diplomas. BOTTOM--A final farewell to the Seniors as they face the walk toward their future.
